A Day of Creative Photography

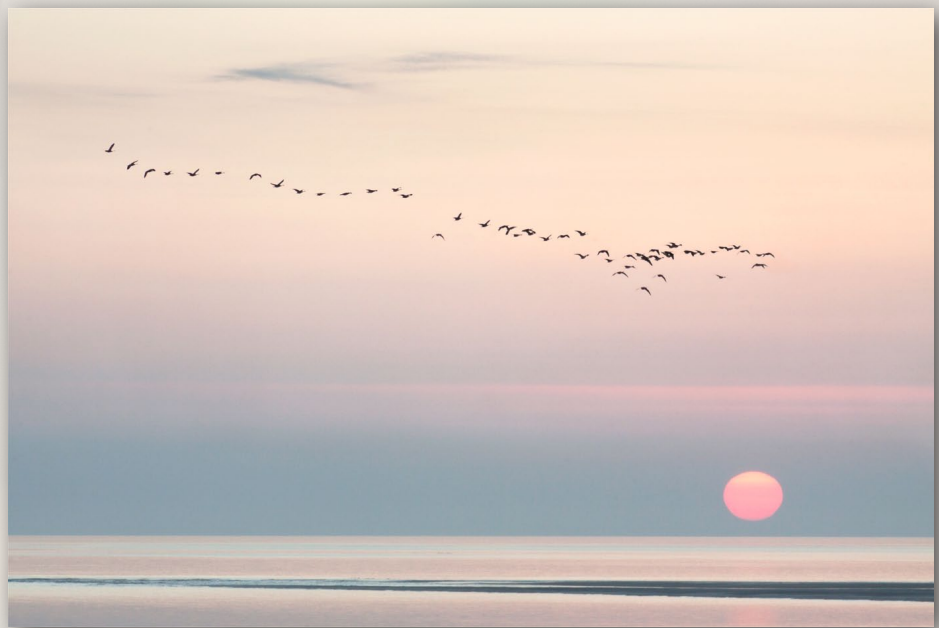

Irene Froy EFIAP, MPAGB, HonPAGB, BPE4 'Pastels & More' 'Adobe Photoshop Demonstrations'

Irene describes herself as a pictorial photographer with a leaning towards landscape but has an interest in all types of photography. She lectures and judges throughout the country and exhibits internationally.

In recent years she has concentrated on interpreting the landscape and villages of France, Spain and Italy using delicate colour and soft images to convey the mood.

In March 1997, she was invited to become a member of the London Salon of Photography. She gained EFIAP (Excellence de la Federation International d'Art Photographique) in 2000. She attained MPAGB in April 2007.

In the morning Irene will present her talk 'Pastels & More' and in the afternoon she will show us how she achieves the delicate pastel colours and softness that conveys the mood she desires and the importance of using a sympathetic fine-art quality paper.

Irene cannot imagine life without photography, it is a passion that is as strong today as it was when she first started. She is at her happiest in the countryside with her camera and tripod.
